

Child and Adolescent Anxiety SIG 2014 Student Travel Award

The SIG Student Travel Award will recognize excellence in student research in the field of child and adolescent anxiety disorders. Any graduate student or postdoctoral fellow who has completed or is in the process of completing an empirical study related to the assessment, treatment, or phenomenology of youth anxiety disorders is eligible for the award.

The award winner will receive an award certificate, a \$200 award, and the opportunity to present the research at the Annual CAA SIG meeting held at the 48th ABCT conference in Philadelphia, Pennsylvania (Nov. 21-23).

Requirements: ABCT membership as graduate or postdoctoral student

To apply; please submit your curriculum vita and a 1-2 page (single spaced) description of your study (including brief intro, methods, and results).

Send applications to: Tony Puliafico at
puliafia@nyspi.columbia.edu

Submission Deadline: August 15, 2014

Applicants will be notified by September 30, 2014
